

Ricks Institute Alumni Association

Release

The Ricks family mourns again the passing of another giant dragon, Mr. Alfred T. Max Davis of the Panthers class of '74 on yesterday, August 22, 2017 after a protracted period of illness.

T-Max was a special dragon and had a unique way of doing things and relating to people. He was a natural leader, well organized and classic in his exemplary service.

We will surely miss his energy, dedication and the inspiration brought to every convention. He represented his Texas chapter very well and was always proud of his chapter and RIAA. This is yet another big void that RIAA will never fill.

We are earnestly praying that God will bring comfort and strength to Mrs. Maima Davis, Albert and McFrances Ireland and the entire family. Please take solace in the Lord for He is able to see you through.

T-Max fought a good fight but God loves him and has in His infinite wisdom seen it fit to finally give him His eternal rest, where there will no more suffering and pain. Yes, "the strife is over, the battle done, the victory of life is won.....Alleluia."

May T-Max's soul rest in God's everlasting peace and light perpetual shine upon him.

Sleep on fellow dragon for what a fellowship it would be when you meet your Panther brothers.

Yours with hope in the Resurrected Christ,

Deacon E. R. A. Paulus
National Chairman, RIAA, USA, Inc.
